Governor Abbott held a press conference in Corpus Christi where he announced the statewide Save Our Seniors initiative to vaccinate homebound seniors across Texas. During the press conference, the Governor also commended the Corpus Christi Fire Department, Meals on Wheels of Corpus Christi, and the City of Corpus Christi for the

success of their homebound senior vaccination program which serves as a model for the statewide initiative.

"A key part of our mission in the fight against COVID-19 is to vaccinate seniors and those who are most at risk — and senior vaccination programs like the one in Corpus Christi are crucial to accomplishing this mission," said Governor Abbott. "I am proud of the work being done by the Corpus Christi Fire Department, Meals On Wheels, and city leadership to identify and vaccinate homebound seniors in their community. By implementing a similar model throughout the state, and with the support of the Texas National Guard, we will reach more homebound seniors in communities across Texas and provide them with these life-saving vaccines."

As part of the statewide Save Our Seniors Initiative, the state will deploy more than 1,100 National Guardsmen to assist communities in vaccinating homebound seniors. The guardsmen will be broken up into teams that will deploy across the state. Some members of these teams will focus on identifying and registering homebound seniors for the program while others will visit homes and administer vaccines. The state is dedicating up to 8,000 vaccines to this initiative for the first week and will work with organizations like Meals On Wheels and nursing groups to identify homebound seniors who volunteer to be vaccinated. The program will launch Monday.

The Governor was joined for the press conference by Texas Division of Emergency Management (TDEM) Chief Nim Kidd, Senator Juan Hinojosa, Nueces County Judge Barbara Canales, Corpus Christi Fire Chief Robert Rocha, Corpus Christi Mayor Paulette Guajardo, Corpus Christi City Manager Peter Zanoni, Nueces, Corpus Christi City Councilman Michael Hunter, and Corpus Christi Senior Community Services Superintendent Lisa Oliver.

On February 11, Governor Abbott announced that the Texas Division of Emergency Management (TDEM), in partnership with the Texas Military Department (TMD), will deploy State Mobile Vaccination Teams (SMVT) to five additional underserved counties: San Saba, Goliad, Sterling, Jeff Davis, and Crockett. SMVTs previously deployed to Motley, Glasscock, Kenedy, Terrell, McMullen, DeWitt, Marion, Real, Sherman, and Starr counties as part of the State Mobile Vaccine Pilot Program.

On February 10, Governor Abbott announced that the Federal Emergency Management Agency (FEMA) is establishing mass community vaccination sites in the DFW Metroplex and Houston. These federal pilot sites, which will be based at AT&T Stadium, Fair Park, and NRG Stadium, are part of a joint effort to support vaccination efforts in underserved areas. The sites will be operated by FEMA in partnership with the state of Texas through the Texas Division of Emergency Management (TDEM) and local officials.

Preparations and buildout of these three locations is now underway, and the sites are expected to be open to eligible members of the public beginning February 24. Registration details for appointments at these locations will be announced in the coming days.

On February 9, Governor Abbott announced that the Texas Department of Housing and Community Affairs (TDHCA) has launched the Texas Rent Relief Program — the first statewide rent and utility assistance program for qualifying households throughout Texas. This program has been created to administer the more than \$1 billion allocated to Texas through the latest federal COVID-19 stimulus bill. TDHCA will begin accepting applications for the program on Monday, February 15th, but Texans can visit [TexasRentRelief.com](https://www.texasrentrelief.com) starting today to learn more about qualifications, required documents, and the application process.

On November 23, Governor Abbott and DSHS announced the guiding principles for Texas' COVID-19 vaccine allocation process, which will serve as a foundation for the state's initial distribution for COVID-19 vaccines expected as early as next month.

Texas will initially allocate COVID-19 vaccines based on the following criteria:

- Protecting health care workers who fill a critical role in caring for and preserving the lives of COVID-19 patients and maintaining the health care infrastructure for all who need it.
- Protecting frontline workers who are at greater risk of contracting COVID-19 due to the nature of their work providing critical services and preserving the economy.
- Protecting vulnerable populations who are at greater risk of severe disease and death if they contract COVID-19.
- Mitigating health inequities due to factors such as demographics, poverty, insurance status and geography.
- Data-driven allocations using the best available scientific evidence and epidemiology at the time, allowing for flexibility for local conditions.

- Geographic diversity through a balanced approach that considers access in urban and rural communities and in affected ZIP codes.
- Transparency through sharing allocations with the public and seeking public feedback.
